2010 Wellness Program

Riverbend Equine Medical Center is pleased to offer a comprehensive Wellness Program. The goal of our program is to keep our prized equine friends healthy and happy at an affordable cost.

How the program works:

Sign up your horse for the Wellness Program, pay the package fee at the start of the program and then schedule appointments for vaccines, coggins, wellness exams and dental procedures, with no additional costs.

The Wellness Plans Include:

- Farm Calls
- Core vaccines
- Annual Coggins
- Sheath clean/ udder clean
- Annual physical exam
- Nutritional consultation
- Annual dental exam and float
- Annual bloodwork (geriatric)

Benefits:

- Packages at a discounted rate.
- Simple and convenient.
- All of the procedures are being performed by a licensed veterinarian.
- Legal medical record of vaccinations.
- Yearly dental examination and floating by a licensed veterinarian.
- Early detection of potential problems found on annual physical exam
- Opportunity to discuss any concerns to help optimize your horses' health and well-being with your veterinarian

Items not included:

- Additional vaccines which may be necessary in order to booster first time vaccines
- Additional exams and farm calls are not included

*This program will run for the 2010 calendar year, thus all services must be used by December 31, 2010.

*This program is not refundable if you no longer own the horse.

*This program is not transferable amongst owners.

*Annual physical exam is a general procedure which includes examination of heart, lungs, eyes, and horses general well-being. Any further exams, including lameness exams
